Description

This 2018 Honda Civic VTEC Turbo SE offers a rare find with very low mileage of just 38,341 miles for its age. This petrol hatchback is powered by a 1.0 litre engine and meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. The vehicle is ready for the road with an MOT that is valid until July 2027, providing peace of mind for the next owner. As an SE trim model, it combines the reliability associated with the Honda brand with a practical design suitable for daily driving. The vehicle stands out due to its impressive fuel economy, achieving up to 59 mpg, which helps to keep running costs manageable. It also benefits from low CO2 emissions, making it a more environmentally conscious choice compared to many other petrol cars in its class. Furthermore, the design prioritises practicality by offering a large boot space, which
